#### Solicitation

Sent: August 20, 2013

Residents have recently reported a **solicitor(s)** coming to their doors stating that their alarm company is upgrading alarm systems in the area. One of the residents contacted their alarm company and confirmed that no upgrades were being offered at this time. It is possible that the solicitor notices your alarm company sign and/or sticker and therefore refers to your alarm company by name.

As with any solicitor, do not open your door, speak to the person through the locked door and report any suspicious activity to your local law enforcement agency when it is happening.

- **Montgomery County Sheriff's Office – 936-442-7797**
- **Harris County Constable Precinct 4 (Village of Creekside Park) – 281-376-3472**

Per Montgomery County Sheriff's Office Lt. David Dottei, please call this in as a suspicious person posing as an Alarm Company Representative.
